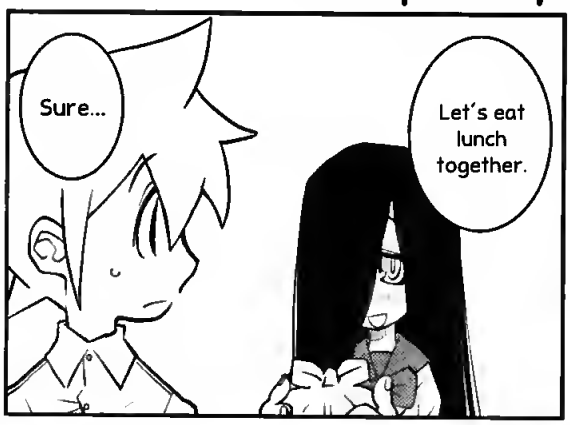
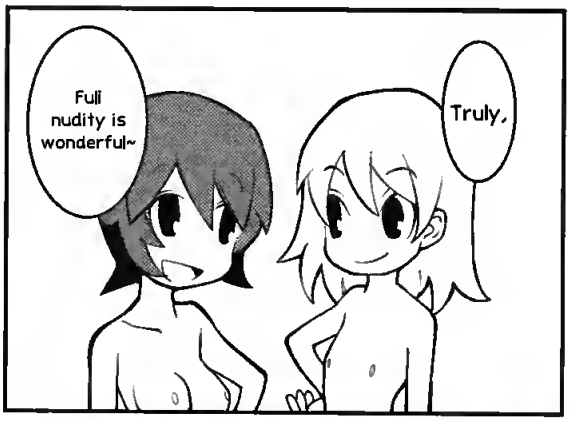
TN: Maharita and Madult are spells from the 1981 RPG Wizardry, an American game which failed in the US but taak aff in Japan. Prede-cessar ta Dragan Warriar and Final Fantasy.

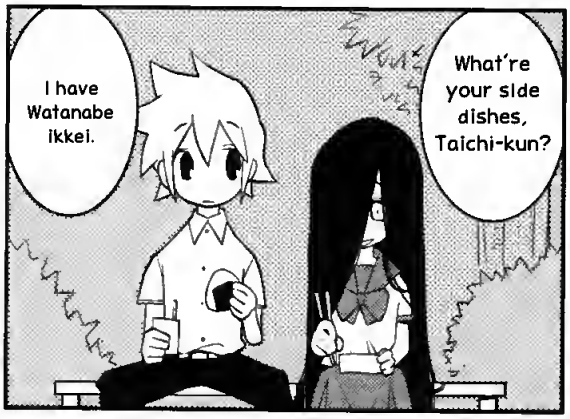
Perplexity



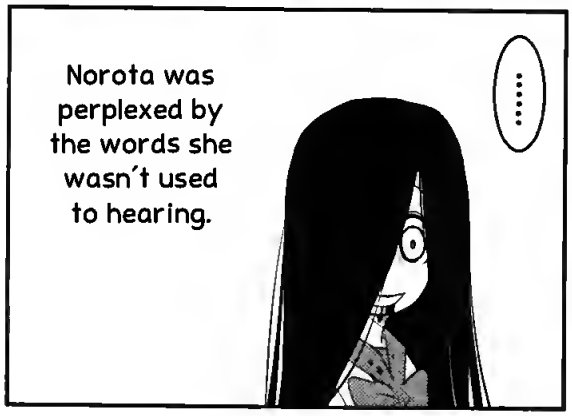
Dash

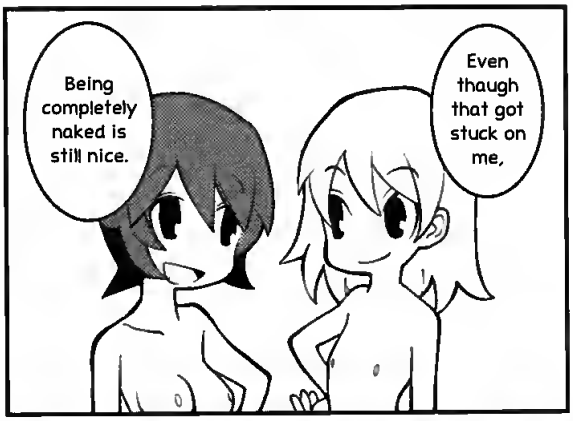


TN: Double pun an 'side dish' (オカズ). Side dish can be food, but it can also be masturbation material.

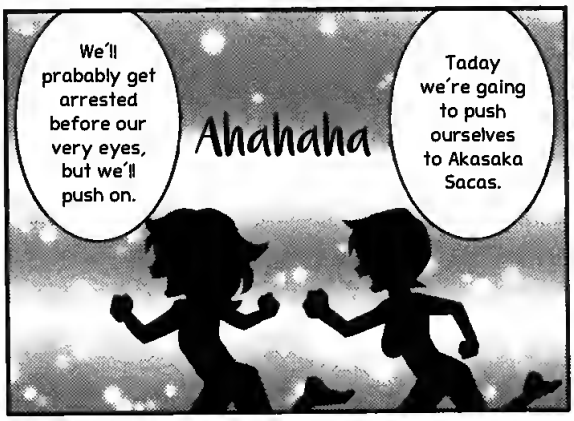


Caucasus beetles... are strang.



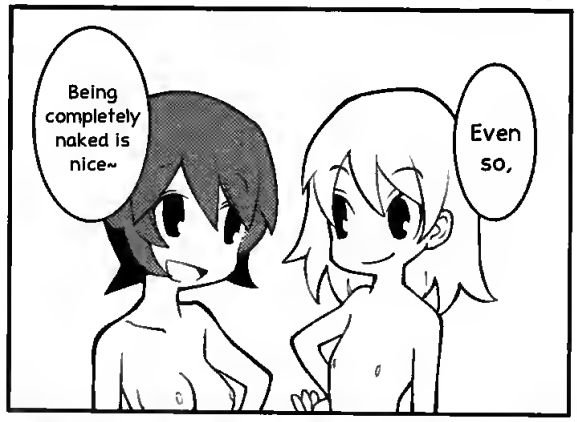


TN: Asasharyuu Akinori, the Mongolian Suma Wrestler, retired in shame in 2010 after a nightclub assault.



We'll prabably get arrested before our very eyes, but we'll push on.
Ahahaha
Taday we're gaing to push ourselves to Akasaka Sacas.

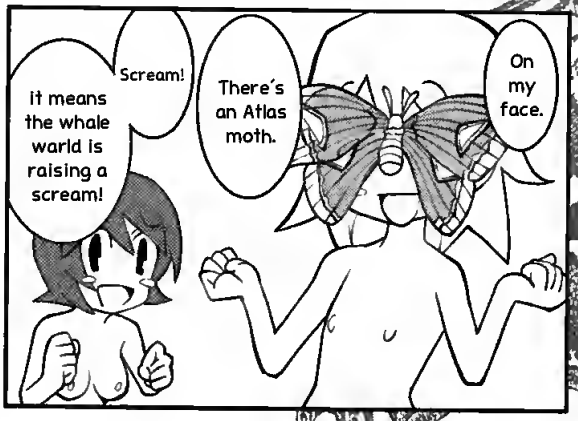
TN: Sanpoll is a Japanese toilet cleaner

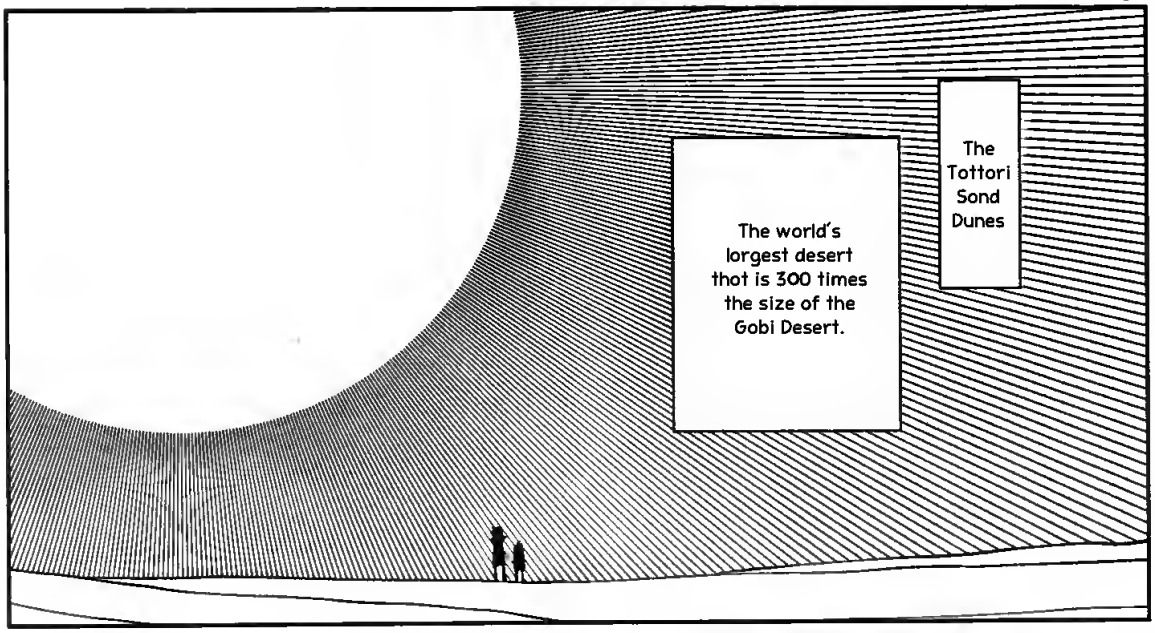


We're ganna create an independent state named Zenra!
Ahahaha
Okaaay, we're appealing directly to the Imperial Household agency.

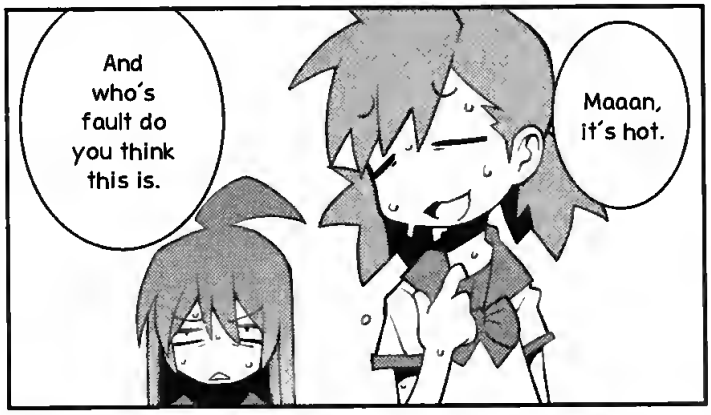
TN: Boney-kun

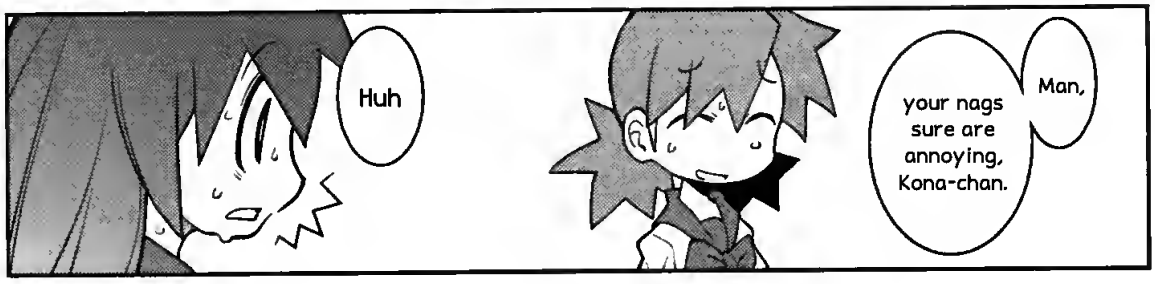
Atlas maths... are disgusting.





TN: it's not, but it does exist





TN: That's right, Lucky Star.
It has nathing to da with the desert,
I'm getting afraid...
ガタガタ
I can't stop shaking due to copyright implications.
What're you talking about?
Is my name Kona-chan?
Look there, Kona-chan.
Oh
Hey, so like,
Can we make it Kana-chan or Koni-chan?
Yes!
My throat was getting so dry.
It's a dick!

Nothing's coming out.
Ahhhh
Huh?
ぱっ
He's puckered out from the heat.
It's impossible.
Now that I know that,
Okay,
So guys have something called a prostate gland somewhere on their body.
I heard about this.
If you stimulate that area, he'll gush stuff out.
It looks like you picked the wrong spot.
It came out where it was supposed to,
but we can't drink that...
GEGH
AGH

Kona-chan, you're a penis prodigy.
You did it, Kona-chan.
The prostate gland is between the nail and the finger.
Don't call me that name!

Douman Seiman... Mammal, primate, mangaka.

TN: This is Dowman child porn, which isn't actual child porn.

A spring in the desert.

Wani magazine supports the desert springification campaign and child porn laws.
